

Morning Car Line for Drop Off

1. When entering the car line, enter from Eastonville Road while heading north and turn right into the school parking lot.
2. When dropping students off go around the school till you are on the north side of the building where it is the loading and unloading area.
3. After dropping off all cars must turn right onto Eastonville to exit the school area.
4. K-5 families, pull into the left lane (inside) for morning drop off only.
5. 6-10 families, pull into the right (outside) lane for morning drop off only.
6. Lower and Upper School, families pull into the left (inside) lane.
7. **Please stay in the SAME lane all the way around the school.**

Morning Car Line Update 8/13/2020

- **To practice better social distancing, we are asking families of K-5 students to drop off at the doors on the southeast side of the building by the playground.**
- **6th -10th grade students will continue to use the doors located on the northeast side of the building at the top of the ramp.**
- **K-5 families, pull into the left lane (inside) for morning drop off only.**
- **6-10 families, pull into the right (outside) lane for morning drop off only.**
- **Lower and Upper School, families pull into the left (inside) lane.**
- **Please stay in the SAME lane all the way around the school.**

This new procedure will only be in place as long as we are operating under COVID-19 restrictions.

Afternoon Car Line for Pick Up

1. When entering the car line, enter from Eastonville Road while heading north and turn right into the school parking lot.
2. Cars must have an official family number placard to use the car line. This increases our security and ID won't need to be checked in the middle of car line. Cars without a placard will need to park in the dirt lot and come to the front office or call ahead to have their kids meet them at the front doors. We will be very strict about this security measure this year.
3. Cars will start to park in two lines around the building where the green lines are indicated on the map. Two lanes of cars on the east, south and west sides of the building to allow as many in line as possible so we don't get backed up on to Eastonville.
4. Cars will go down to one lane of cars on the north of the school to allow for cars to exit after they have their kids loaded up.
5. Cars merge from 2 lanes to 1 near the dumpster with taking turns.
6. There is a chance you'll get stuck in the line because we have no good way to turn around and exit once you are in line. Our car line check in person cannot be responsible for checking IDs and knowing who is and isn't allowed to pick kids up. Thank you for your cooperation in this.
7. Family number placards will be used to check in students. All students in the same family group will be called to the line at the same time.
8. If you are car pooling you must get the placard for all kids you are picking up. We assume if another parent gave you their placard then they are authorizing you to pick up their kids as well.
9. After picking up all cars must turn right onto Eastonville to exit the school area.
